# LAND ART

BASED ON COMPANION WORKSHOP #7

## LAND ART

**Exercise:** Create a Land Art piece using natural materials found in your environment. Document the process through photos and drawings.

- Cultural Insight: The impact of the environment on art and the use of sustainable materials.
- References: Look at the works of Andy Goldsworthy for examples of integrating art with nature.
- Experimentation and Presentation of a Final Piece: Explore how natural materials can be integrated into an artwork.
