

Fry Sight Word Tracker

First 100 Fry words, assessed and tracked - automatic mastery bands and a class dashboard.

HOW TO USE

1. Roster

2. Fry Words

3. Scores

4. Flashcards

5. Dashboard
- Add up to 32 students. Scores and the dashboard reference the Roster automatically.

The full first 100 Fry words (10 groups of 10) on one printable page - use it for the fluency check.

One column per word group. Enter 0-10 for the number of words the student reads instantly. Total, % Known, and band calculate automatically.

All 100 words as printable cards - cut, laminate, and practice daily.

Class average, mastery bands, and the weakest word groups update themselves.

BANDING

Mastered	% Known 80 or above - the next 100 list is waiting
Developing	% Known 40-79 - keep this student's group daily review going
Not Yet	% Known below 40 - prioritise one small group (10 words) at a time

SMART TIPS

- Test one group at a time

Keep it short

Watch group patterns
- Ask for each word with a 2-second throttle - instant recognition is the point. Mark words counted in that group.

One group (10 words) per session is plenty. The small win builds momentum.

If half the class lags behind in the same group, teach that group whole-class.

COLOUR LEGEND

Green	80%+ known - Mastered
Yellow	40-79% known - Developing
Red	Below 40% known - Not Yet
