The Adventures of Lou and Fin

The two dog friends walked together along the railroad track.

"Make sure you look out for the magic footprints that lead the way," Fin said.

Lou ducked in and out between the bushes along the path, sniffing the ground for footprints.

Suddenly, Fin turned around, pausing at a park near the coastline. "What is it?" Lou asked.

"The seesaw is where the grapefruit will reveal itself." Lou and Fin bounded over the playground.

Lou was enjoying an afternoon nap one weekend. He stretched out on his pillow, yawning as the daylight sun peeked through the clouds. His best friend, Fin, came trotting into the yard.

"Lou, have you heard about the giant grapefruit of power?" Fin asked. Lou poked his head up, wanting more details.

"Oh, that sounds exciting!" Lou sat up.

"If we follow the railroad to the coastline, we can find it!" Fin explained with a cheeky smile.

"Let's go looking for it!" Lou bounced around happily.

"How do we know where the grapefruit of power is?" Lou asked. "Repeat after me," Fin explained, "we seek the fruit!"

The two dogs jumped around, howling the words and barking at the bright sky.

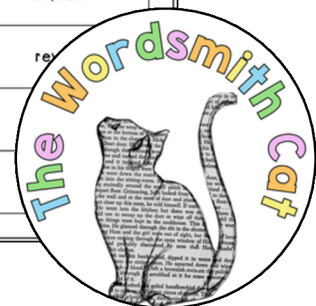

Then, the sun shone brighter and made a dazzling display across the grass. "What a delight!" Lou gasped. "But I don't think there is really a grapefruit, Fin!"

Fin cheekily wagged his tail, and the two friends laughed together. They had fun playing at the park together.
