Reading passage

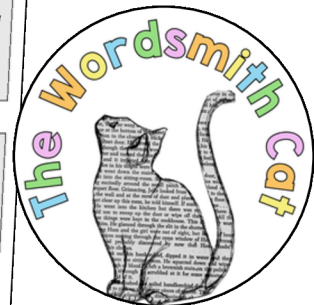

PHONICS REVIEW long vowel teams	Reading Passage
Read the passage and circle the words with long vowel teams.	
The Storm Thunder was screaming loudly as a storm passed over the highway. My dad was driving his truck because he had to make a delivery. The raindrops were blowing against the windshield, making it hard to see. It was nearly nighttime, so Dad turned on the headlights. He drove slowly as lightning started flashing in the sky. "Wow!" I exclaimed. It was a rare sighting to see lightning like this. "This sure is a wild storm tonight," Dad agreed, not taking his eyes off the road. We came to a crossroads, and Dad was glad to turn off the highway. We drove for another hour before arriving at the delivery spot along the coastline. It was a hotel next to a railroad, and there was a lovely river flowing under the bridge. In the distance, there was a beautiful valley between two large mountains. Dad was delivering a large painting, and I helped him carry it inside, hurrying to keep it dry from the rain. We walked up the hallway to the reception. They were glad to have received the painting. The staff were kind enough to let us stay a while in the lobby until the storm passed.
