

DINOSAURS

Dinosaur Detective:

What if I found an egg?

"What if I found a giant elongated egg on the way to school?"

What's inside?

I am thinking this is inside.

"What if I found tiny round eggs on the way to school?"

What's inside?

I am thinking this is inside.

Think Dive for a Dinosaur Detective

If you find an egg it is most likely not a dinosaur egg!

Why are dinosaur eggs extremely rare?

- ❖ Design Inspired by Nature - Biomimicry
- ❖ Distance Learning
- ❖ Easel Activities included

REVIEWS

“This was easy to use with my student that required thinking out of the box to get him engaged in reading.”

“This product is incredibly well-done and comprehensive. Students will be sure to be engaged as they think about and answer the topics presented to them. Thanks for a great product!”
