Good to know

How it works

- **One HTML file. Open it in Chrome, Edge, Safari or Firefox.**
- **Works on computers, tablets and phones.**
- **No account and no ads.**
- **Progress and photos are saved in the browser on that device.**

Please note

- **Read-aloud uses the voices on your device, so voices vary.**
- **Clearing browser data erases saved progress.**
- **Teacher and parent dashboards show only the players added on that device.**
- **For personal or single-classroom use.**
