THICK SKIN

Rhinoceros have thick skin, almost like an armour. Yet the skin is sensitive and not very strong. The skin consists of several layers. Use the words as inspiration and design something inspired by the rhinoceros.

Review – Math Journal Prompts

“A wonderful set of problems to get students thinking; and I love the extra challenge provided by showing their work to explain how they arrived at the solution. Thank you for the great prompts!”

“I sent this booklet home for parents to help one of my students. It was easy to put it together. Thank you!”
