The image shows a child's math journal page titled "I CAN TELL A MATH STORY". At the top, there are four math symbols: a plus sign, a minus sign, a division sign, and a multiplication sign. Below the title, there is an illustration of three dogs and nine bones. The text on the page reads: "Three hungry dogs found nine bones. They decided to share the bones equally. Each dog had three bones for dinner." A hand is visible at the bottom right, holding a purple marker and writing the text. The page is surrounded by various school supplies, including a bowl of colorful markers, a pair of glasses, a stack of notebooks, and several pens and pencils.

REVIEW — MATH JOURNAL PROMPTS

“A wonderful set of problems to get students thinking; and I love the extra challenge provided by showing their work to explain how they arrived at the solution. Thank you for the great prompts!”

“I sent this booklet home for parents to help one of my students. It was easy to put it together. Thank you!”
