- ❖ Thinking Challenges
- ❖ Independent Work
- ❖ Creativity Challenge
- ❖ Early Finishers

SAGUAROS

Look for interesting facts about saguaro cacti.
What birds use the cacti as their home?

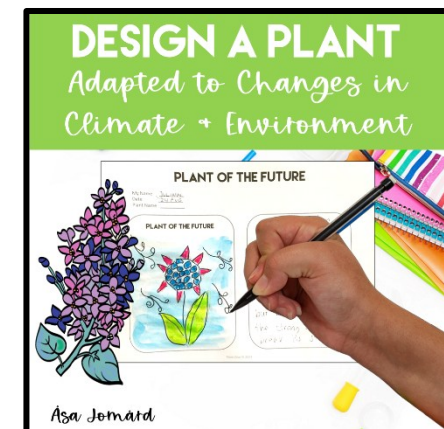

The cactus's thick, waxy skin helps protect it from the harsh desert environment.

REVIEWS PLATYPUS LIFE CYCLE

This is a fun activity for learning about life cycles! It was a great addition to my Science lessons!

I bought this for my daughter to work at home. She had to do a research on interesting animals, and she wanted to do it on platypus. She enjoyed learning about platypus using the different activities included.
