WRITING PROMPTS

CREATIVE DICTIONARY

Creative Dictionary

Bring some Australian animal and plant words to life by writing a creative dictionary filled with fun and amazing things about this special day! Use your dictionary to write stories about Australian wildlife.

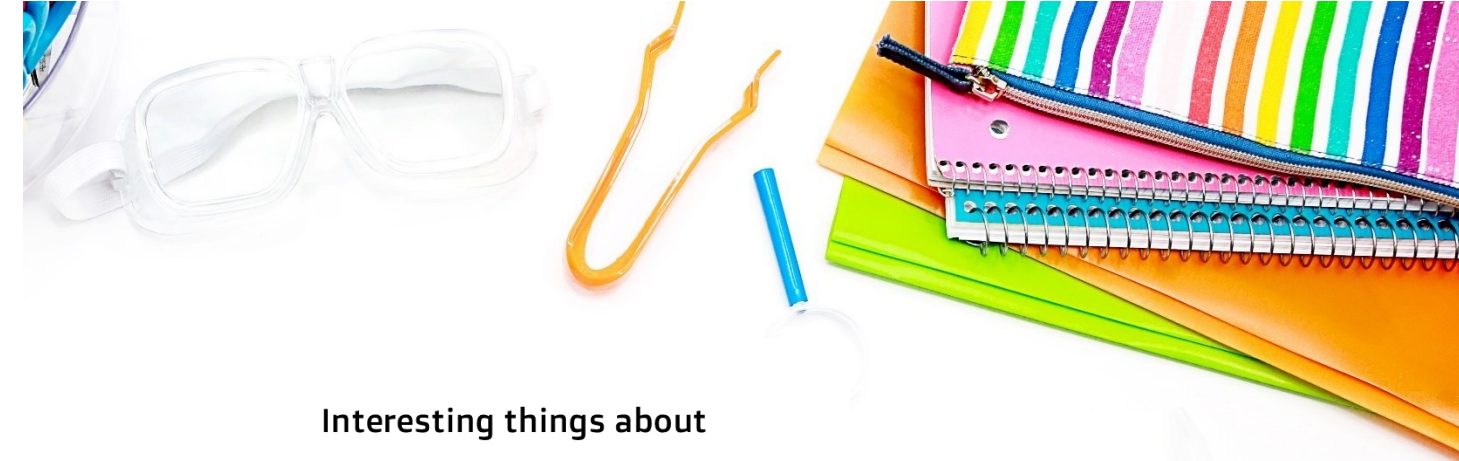

Koala — A cute and furry marsupial with fluffy ears with some white fur. They are picky eaters and only like some types of eucalyptus leaves. They have fingerprints, something that is rare in the animal world. This is great when you want to identify a koala. They can put a real twist on a "whodunnit" story!

A kangaroo wants to see kangaroo paws, but he cannot find them anywhere he lives.

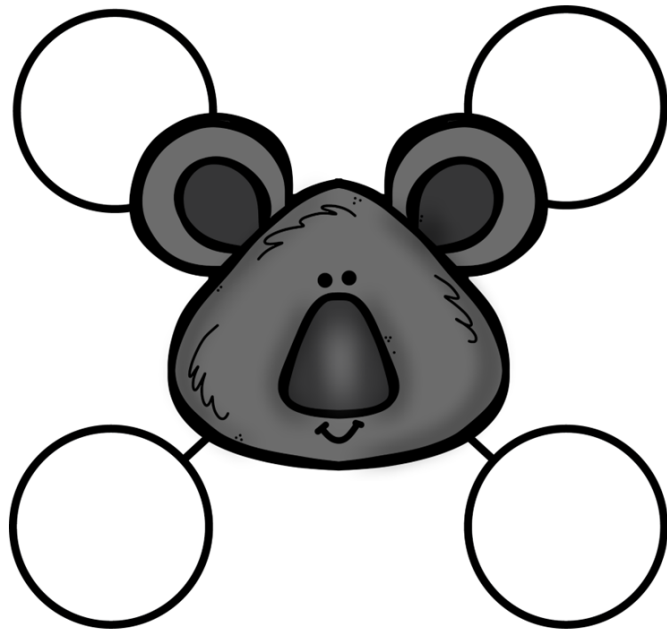

Write about an annual laughter festival where all birds gather to share their songs and laughter.
