I've been sent on a secret mission.

I lost my gold coin.

I want to go to school but dragons aren't allowed.

My wings are too small.

A knight wants to fight me.

My family expects me to be fierce but I like to be friendly.

I don't have any friends.

I have a toothache but I'm too scared to go to the dentist.

I sneezed and now there's a fire.

My friends tease me because I can't fly.

WE ARE MADDY AND SAM AND WE
NEED YOUR HELP. WE HAVE A
PROBLEM THAT ONLY YOU CAN
SOLVE. CAN YOU WRITE OUR STORY
SO THAT WE SAVE THE WORLD?

It's our first day of
superhero school.

We have to save a villain
from a bully.

Our teacher is a villain.

Someone stole the punctuations
marks from all the books!

Superheroes aren't
supposed to be clumsy.

Our families don't know
we are superheroes.

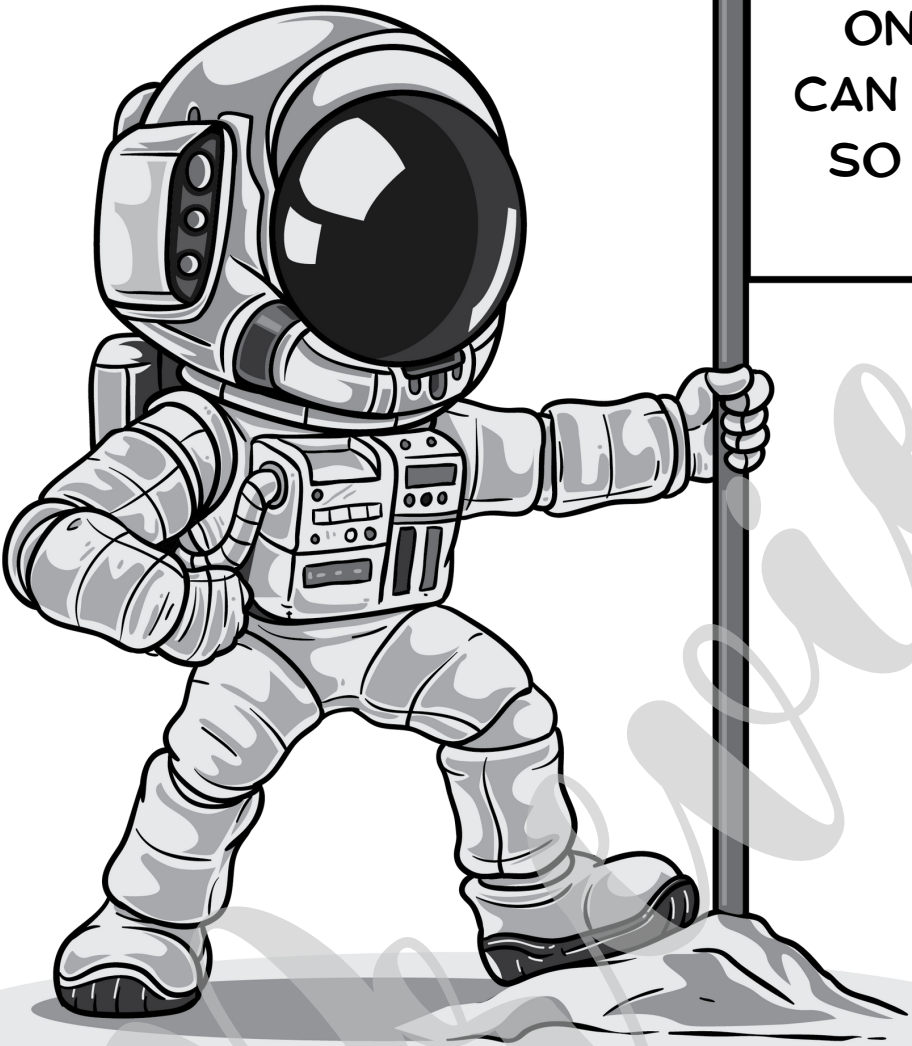

Sam is afraid of heights.

We have to save a cat
who is trapped in a tree.

Our powers accidentally
got swapped.

We have the worst possible
powers a superhero can have.

MY NAME IS SAL AND
I NEED YOUR HELP.
I HAVE A PROBLEM THAT
ONLY YOU CAN SOLVE.
CAN YOU WRITE MY STORY
SO THAT I CAN EXPLORE
NEW WORLDS?

We are setting up a new colony on the moon.

Earth is dying and we need to find another planet to lie on.

I'm taking my first spacewalk today.

We crash landed on an unknown planet.

Someone has been sabotaging my voyage.

I met my very first alien today.

It's my very first trip into space and I am so nervous.

You won't believe what new creature I discovered.

My spaceship broke and I am the only one who can fix it.

HELP! I've been stranded on the moon.

MY NAME IS KAI AND I NEED
YOUR HELP. I HAVE A PROBLEM

CAN YOU WRITE MY STORY SO
THAT I AM A BRAVE WARRIOR?

This is my first battle and
I am so nervous.

I am the worst ninja ever.

I'm supposed to fight the
dragon, but he's my best friend.

I'm a secret ninja but my
friends don't know.

My family expects me to become
a ninja but I'm not brave.

I accidentally time traveled
100 years back in time.

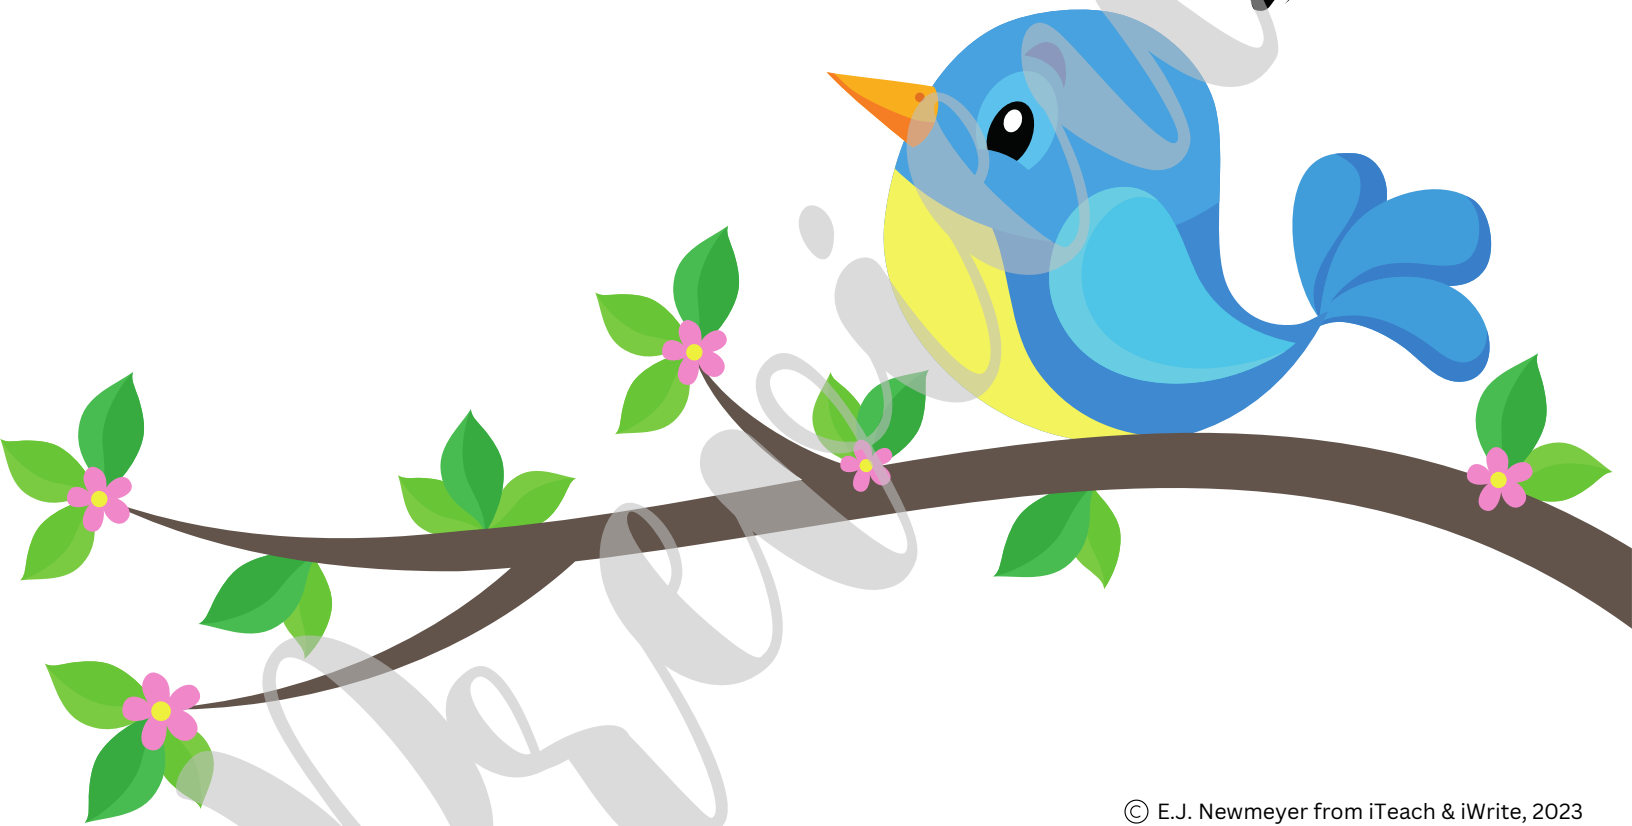

I have to protect the
princess.

I want to be a famous ninja
but I'm clumsy.

Before I become an actual ninja,
I must steal a magical artifact.

I've been sent on a secret
mission.

I broke my wing.

I'm trapped in a birdcage.
and long to be free.

I have a very important
message to deliver to the King.

My best friend is a
human child.

My home is gone!

I have a very special talent
that no one knows about.

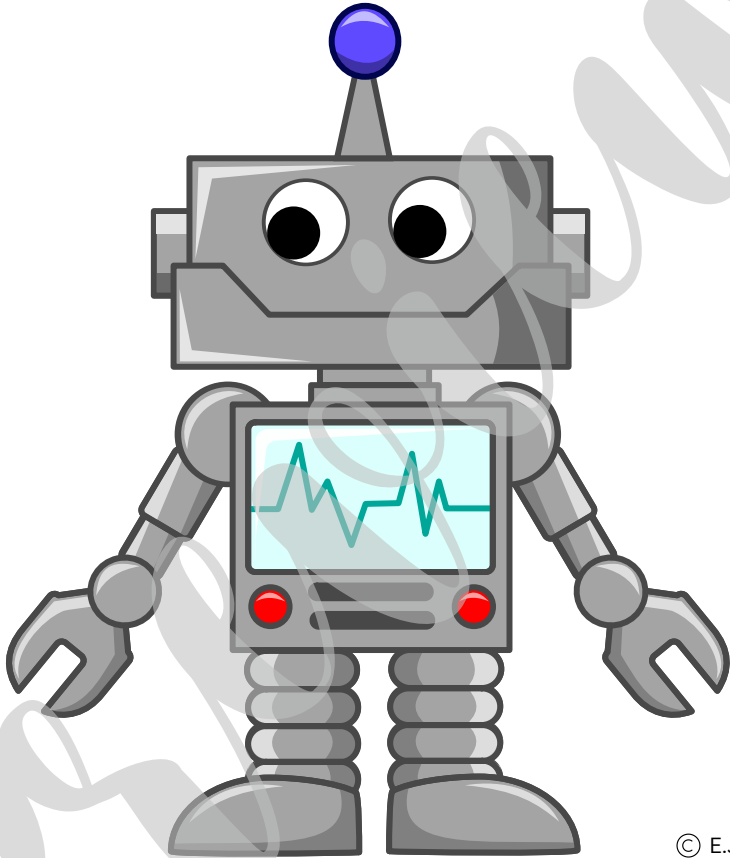

I accidentally got separated
from my family.

My family flew south for the
winter but I stayed behind.

I am so bad at flying that I
was sent to flight school.

I'm not fast enough to get
any worms for breakfast.

I'm starting to rust!

I am so lonely, but most
people are scared of me.

I have a very dangerous job to do
and Earth is depending on me.

I was struck by lightning
and now I am alive.

I have a new family.

I wish I were a real human
child.

I have to solve a mysterious
crime.

My creator is missing!

I have the worst job ever.

The bigger robots pick on
me because I'm small.
