

A vertical traffic light with three circular lights: red at the top, yellow in the middle, and green at the bottom. The lights are mounted on a black pole. The traffic light housing is black with three white arrow-shaped fins on each side. The red light is currently illuminated.

Student S

The illustration shows a tablet screen with a form. The form has fields for 'Student:' and 'Date:', both with light blue input boxes. Below these is a field for 'Target Behavior:' with a light blue input box. To the left of the 'Target Behavior:' field is a blue and white school bus. Below the form is a table with two columns: 'Task/Activity' and 'How Did I Do?'. The 'Task/Activity' column has a light blue input box. The 'How Did I Do?' column has a light blue input box and a small icon of a bus. Two pink arrows point from the top left towards the tablet screen, one pointing to the 'Student:' field and the other pointing to the 'Task/Activity' column header.

Task/Activity	How Did I Do?
