Connecting Interests with Careers!

COMPREHENSIVE LESSON

TEACHING CAREER INTERESTS!

Some jobs require working **INDOORS** such as a **CHEF** who works in a kitchen or a **HAIRDRESSER** who works in a salon.

They both enjoy working inside a building to do their jobs.

INTERESTS:

Alone **OR** Team

Routine **OR** Adventure

Tools **OR** Ideas

Indoor **OR** Outdoor

Description

PILOT PETE

Flying high,
I'm part of a **TEAM**.
In the sky,
fulfilling our dream.
Guiding planes
with navigation **TOOLS**.
OUTDOORS we work,
where **ADVENTURE** rules!

Getting Started:

Transition to Guidance

Outline:

I. Intro Discussion: (Slides 3-4)

- Introduce Career Lesson
- Discuss students' current career interests. Slide 3: **Click 3 times to make career dreams appear.** Explain that it's never too early to dream about what kind of job they would like to have when they are grown up.
- Slide 4: Explain Personal interests are the things we enjoy doing, like playing sports, drawing, or helping others. It's essential to find jobs that match these things we like. Today, we'll explore four different areas of interests.
- If using the Career Interests Sheet (pg. 4, 5, or 6), pass these out at this time and tell students we will be filling these out together.

One or Team (Slides 5-8)

- Discuss what it means to work alone or with a team.
- Have students indicate their interest by circling on their Career Interests Sheet. Alternatively, have students indicate their interest by using movement such as stand up, stand on one foot, pat your head, rub your tummy, cover your eyes, hold up one or two fingers, etc.

One or Adventure (Slides 9-12)

- Discuss the different

Students will understand the concept of personal interests.

Students will be exposed to a variety of careers.

Students will reflect on their personal interests and make connections to potential careers.
