DESIGN CHALLENGE - PLATYPUS

Use "random" words to design something by using platypus as inspiration. Roll the dice and use the words below as inspiration.

Make a drawing of your design.

1. Glowing t-shirt
2. Energy saving streetlight
3. Gear to monitor water toxicity
4. Medical equipment
5. Camouflage gear
6. Your own choice

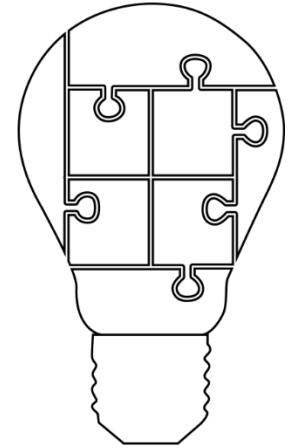

Name of
the invention

THINGS THAT GLOW IN THE DARK

Answer these questions

- Do you have anything that glows in the dark?
- Have you seen anything that glows in the dark?
- What makes things glow in the dark?

REVIEWS PLATYPUS LIFE CYCLE

This is a fun activity for learning about life cycles! It was a great addition to my Science lessons!

I bought this for my daughter to work at home. She had to do a research on interesting animals, and she wanted to do it on platypus. She enjoyed learning about platypus using the different activities included.
