The Adventures of Lou and Fin

Inside the box was another note with the same sticker.

The friends peered closer into the box. It was just a bunch of old machine parts.

It said, 'Wear disposable gloves for these recyclable items.'

"It looks like we have even more work to do!" Cow and Sheep groaned. Lou and Fin wagged their tails, still eager to help.

"But only after a snack!" Lou added with his tongue sticking out, looking around for food.

Fluency Passage

Lou and his best friend Fin were walking near the farm. Their **lovable** friends, Cow and Sheep, asked them to help clean the barn. Lou and Fin wagged their tails and trotted over.

"What's in this box?" Fin asked, sniffing a metal box. There was a note on it that said, **UNBREAKABLE**. A colorful, **distractible** sticker was on the note.

Cow and Sheep came over to look. "The sticker on that note looks **recognizable**," Sheep said.

"It's **questionable** what's inside," Sheep said, feeling **uncomfortable**. "I think we should ask Chicken."

"Whatever is inside, I hope it's **digestible**!" Lou said as his stomach rumbled with hunger.

"Oh, Lou, your appetite is **uncontrollable**!" Fin grinned at his friend.

Lou, Fin, Cow, and Sheep took the box and went to find Chicken to see if she could help open the box.

"It doesn't look **accessible**," Chicken was puzzled. "This box isn't **flexible** at all."

"The lock is **workable**, though," Cow said, and he kicked it sharply with his hoof. Now the lock was **bendable**, so the friends could open the lid.

"Do you think that's **fixable**?" Lou asked.

Inside the box was another note with the same sticker. It said, "Wear **disposable** gloves for these **recyclable** items."
