Amongst the ships that sailed into the bustling Caribbean port was one captained by young Jake 'Stormy' Rogers. Aboard the tall ship with black sails and shiny cannons, Stormy was an adventurous pirate.

His ship was named the Stormchaser and that's exactly what he and his crew did - they chased storms through the seven seas.

As the sun set and the ship docked, Stormy unrolled the dusty and torn map. This map had been buried in a chest Stormy purchased off a sea-trader. The map whispered of mysteries and adventure.

The Stormchaser set sail with Stormy and Silver at the helm. The rest of the crew worked hard to keep the ship on course.
Just when it felt like smooth sailing over the deep blue ocean, trouble was waiting up ahead.
Stormy took a deep breath and looked nervously at Silver.

Stormy traced his finger over the lines on the map. He had this many times over the past evenings, trying to figure out what it all meant.
As Stormy lifted the map above his head so that he could see it better in the light of the setting sun, he suddenly realised something new!
This map was more than a map. It was a journey tracker, leading to an intriguing destination.
