Lou jumped up and down excitedly. 72 "It's a strange mixture of half bear and half frog," Fin wagged his tail 86 cheekily. "It's impossible to capture, but we might get its picture." 97 Lou raced ahead along the path with Fin laughing behind him. The two 110 dogs reached the shed and sneaked through the fractured door. The 122 shed had a lot of dusty furniture and a stack of literature books in the 136 corner. A lantern hung from a rusty fixture on the ceiling. 147 "I wonder where the creature is?" Lou sniffed around the shed. 158 Suddenly, he heard a noise from under a punctured tire. 168 "I think it's there!" Fin whispered. 174 The dogs put their noses to the ground and sniffed closer to the tire. 188 Lou was worried. They heard the creature scuttling about. Then, it 198 raced out!
