“This resource is great. It has so much but it’s super easy to pick and choose parts to use with your class. The variety of the included activities is very good. I’m using this in-person and virtually with students who’ve chosen that path. It appears to be working well for both so far.”

STUDENT HANDOUTS

“This is an incredible bundle to use solo or to supplement your curriculum. Everything is organized and explained, and the units are easily customizable depending on your students’ previous vocab/grammar background. I highly recommend these units; extremely helpful. Thank you!”

UNIT STORY

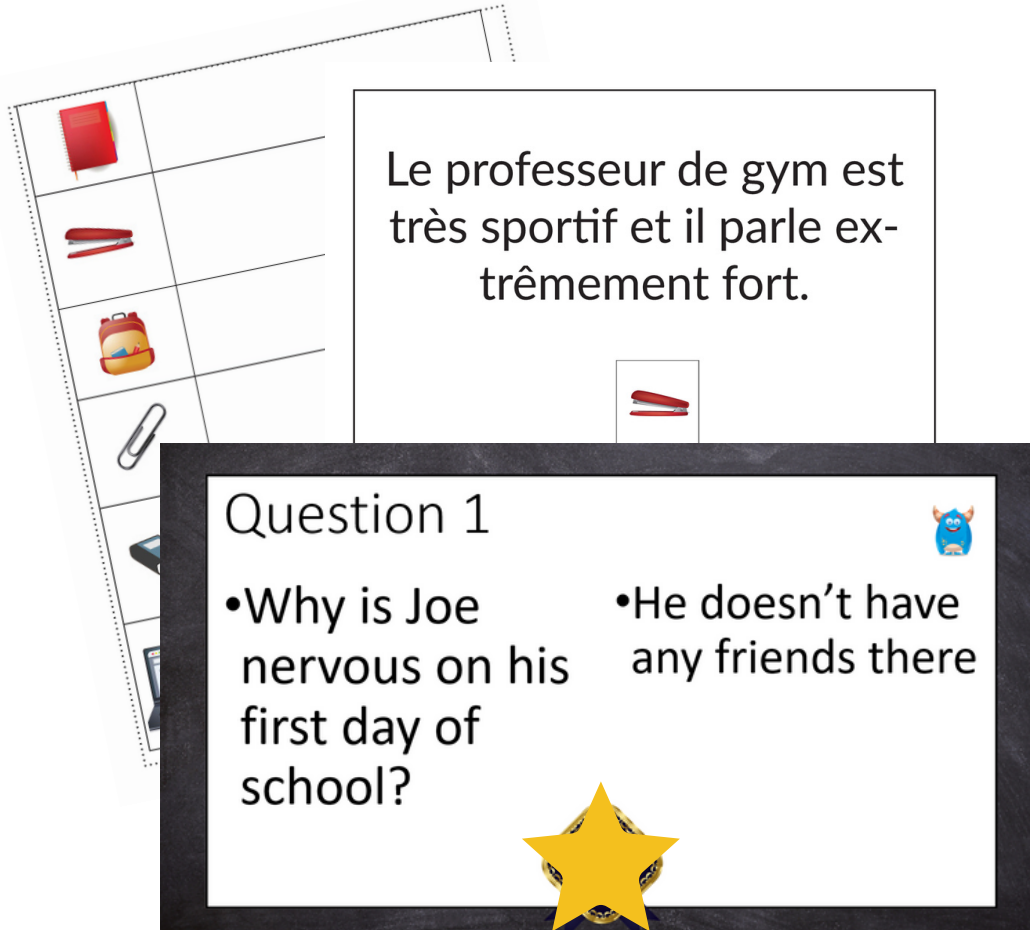

Each unit culminates in a fun unit story based on the vocabulary of the current units and any previous units. The stories include a printable version, a video version without sound, comprehension activities and story retell activities.

“Love this way of teaching French! It helps my students see real life application of their learning and helps them feel like they can speak French.”

GAMES AND FUN STUFF

Each unit includes a running dictation game as well as the unfair game - review the unit story and have fun! Also includes links to sets to play Quizlet, Blooket and Gimkit games with the unit's vocabulary. As an added bonus, there is a set of printable word wall posters you can print and use to reinforce vocabulary.

The collage features three educational materials:

- Word Wall Poster:** A grid with icons of a red book, a red stapler, a yellow backpack, and a paperclip. The text reads: "Le professeur de gym est très sportif et il parle extrêmement fort." Below the text is a small icon of a red stapler.
- Question Card:** A black-bordered card with the text "Question 1" and a small blue monster icon. It contains two bullet points: "•Why is Joe nervous on his first day of school?" and "•He doesn't have any friends there". A large yellow star is at the bottom.
