Home page

When students open the home page, they will see some roses and a love note.

To get to the other clues, they will need to scroll their mouse over the image. There are five links hidden in the image. When they scroll over a hidden link, the areas in red below will turn white and it will be clickable. There will NOT be red areas on the student view of the game, they will need to mouse over to see the hidden links.

The links are hidden as shown in the image below:

Each game includes: A guide to the topics included (answer key)

Valencia

On the Valencia page, students will click on the main doors to be taken to a Google sheet. They will need to answer a question - what kind of animal might they see at a Spanish aquarium? When they input the correct answer - pescado - they will be taken to a website about the Oceanographic aquarium in Valencia. They will need to answer several questions about the aquarium and the spreadsheet will calculate the answer for them.

Pamplona

Clicking on the banner will take students to a Rick Steves video about the running of the bulls. In the Spanish version, they will see a video in Spanish about the event. Students are looking for the name FER-

Barcelona

On the Barcelona page, clicking on one of the towers will take students to a website about the basilica. They are looking for the name of the architect who is buried there - GAUDI - which will open up the 5 letter lock.
