

ANCHOR CHARTS-PHONICS POSTERS

Support your students with these beautiful phonics and word family posters!

Learning to read and write word families helps develop literacy skills by seeing patterns in words.

Every poster comes with 3 options so you can find the perfect posters for your phonics lessons and centers.

Here are some ideas for using the posters in your classroom:

- create a word family anchor chart during a lesson
- make a bulletin board or classroom display
- laminate for a quick literacy center
- add to book bins for student fluency practice
- send home for families to practice together
