

HUMAN BODY: LEVELS OF ORGANIZATION FOSSIL FIND

Students Identify different levels of organization in the human body, while also hunting for fossils in this gamified, self-checking practice!

Human Body: Levels of Organization

Use the dropdown to choose question card, identify the level of organization, and type your answers in the spaces provided. **Correct answers will turn green.** Then, guess the location of where you think a fossil might be (example: C5 -- letter then number with no space). Can you find all the fossils?
