How do I use this?

- Option 1: Cut around the outline, cut the mouth out & glue to a box.
 - Option 2: Print on thick cardstock, cut out the mouth, and fold on dotted line to make it stand up.
 - Next, cut all pieces of food and recipe cards out. Laminate if you wish to reuse.
 - Children will pick one recipe card & find all of the pieces of food to complete the recipe. (You can lay out the pieces or put them in a sensory bin for more fun.)
 - Tip: differentiate by only leaving a few numbers on each day. This will help it to be less overwhelming if they are still learning to subitize/count. If you are using my preschool curriculum you have introduced all numbers and can use
