The Adventures of Lou and Fin

Lou ran over to the tree, touched a stone with his nose, and ran back. "Now what?"

"Time to spin around while barking a song with a spooky theme."

"Ooooh, ahhhh," Lou barked as he went around in circles.

Fin laughed, "Now eat the lime!"

Lou ate the sour fruit. "Yuck!" He spat out his tongue. "Did it work?"

Fluency Passage

Lou and Fin sat under a big oak tree in the garden, watching the birds fly in the sky.

"Lou, I think this is magic dirt. If you draw an art piece in it, you can turn your fur a different color," Fin said with a cheeky smirk.

"Wow!" Lou wagged his tail and grinned. "What should I do first?"

"Find a sharp stick and draw thirty stars," Fin told Lou.

Lou jumped up and looked for a stick. He came back to Fin and drew the stars in the dirt. He carefully counted from one to thirty as he did.

"You're very clever, Lou," Fin praised his friend. "Now, what color do you want to turn?"

"Hmmm," Lou paused. "I think I want my fur to be orange!"

"Great! Now, face north and take a lucky card," Fin told Lou. "Then, turn around quickly and write the letters O-R-A-N-G-E in the dirt."

"This is fun, but I don't think it's working," Lou said as he twirled around for the third time. "I just feel dizzy!"

"Oh, silly, Lou," Fin barked and laughed. "It's a trick!"

"I should have known," Lou wagged his tail. "No more tricks, Fin!"

"OK, let's go and explore more of this garden," Fin agreed.

And the two dog friends had lots of fun playing with the birds in the park.

The Adventures of Lou and Fin

Lou and Fin raced around the playground one sunny afternoon.

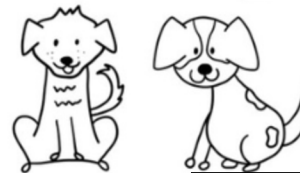

"Lou, can you find a golden flower? If you do, you'll become the king of all dogs and get a magic crown!" Fin said cheekily.

"Oh wow!" Lou's eyes sparkled. "Where can I find a golden flower?"

"First," Fin wagged his tail, "you need to crawl under the slide, then roll downhill."

Lou and Fin sat under a tree in the park, watching the birds. "Lou, did you **know** you can use a **comb** to tug the dirt in," asked with a sly grin. "Wow, really!" Lou wagged his tail eagerly. "Sure, use this **comb** to **write** a superhero name in the dirt." Lou took the **comb** and **wrinkled** his brow, thinking for a moment. "I'll be Super Wags!" Lou said and **wrote** the name on the ground. "Great!" said Fin. "Now we can be superheroes!" Lou and Fin trotted around the park. They saw two little **lambs** playing together. "Do you need any help?" Lou asked. "We are hungry," answered one **lamb**, wriggling its nose. "It's a good idea," Lou climbed up on the tree trunk and looked down the **limb** with the most leaves. He saw the green leaves fell off. The little **lambs** were happy. "We won't waste a **crumb** of these." And they gobbled up the **whole** branch of tasty leaves. "Without a **doubt**, you really are a superhero," Fin grinned at his friend. "It's nice to help others," Lou agreed. He **knew** he didn't really need a trick from Fin to be helpful!

The Adventures of Lou and Fin

Lou was excited. "How do we find it?"

"To begin," Fin started. "Jump up and down three times."

"Great! Now you need to make some music." Lou howled loudly, singing a silly tune.

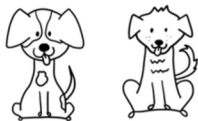

Lou bounced happily on the spot.

At that moment, a human walked past and gave the dog friends a funny look.

It was a sunny day, so Lou and Fin walked along the road by the beach, 16
sniffing for an adventure. 20
"Lou, did you know if you wear a coat made of seaweed, you can talk to 36
fish?" Fin asked with a sly grin. 43
"Really?" Lou wagged his tail excitedly. "I want one!" 52
"Well, you need to find yellow seaweed and tie it around yourself. Then, 65
stand below the tallest tree and howl three times," Fin explained. 76
"Easy!" Lou said. They trotted down the seashore and Lou ran ahead to 89
find some seaweed. He sniffed until he found some that looked a yellow 102
color. He dragged it back to Fin who helped him wrap it around his 116
body. 117
"Look, there's a tall tree this way," Lou ran under it. 128
"Alright, now you need to howl!" Fin said and Lou let out three long, 142
slow howls. 144
"Now can I talk to fish?" Lou asked with a smile. 155
"Let's go and find out," Fin said and raced ahead to the water. Lou 169
followed and jumped in the water, making the water spray. 179
Lou stuck his head under the water to look for fish. A school of fish 194
saw him and swam away. 199
"Fin, I think the fish might be scared of me," Lou said with a sigh. 214
"They must think you are a silly sight!" Fin laughed. 224
"This is a bit silly," Lou agreed. 231
"You're right. Let's go home and lay on the couch." 241
"I think I'll keep the seaweed though," Lou wagged his tail, and the two 255
friends made their way back home. 261
