THE RUSSIAN REVOLUTION

The Romanov family ruled Russia for hundreds of years, but all things must come to an end. In the midst of a war that Russia was losing, Nikolai was forced to abdicate - and not a moment too soon for those who had been living in misery. While he may have abdicated on "the Ides of March," Russia was a bit behind the times.

TEACHER'S GUIDE

Czar Nicholas

On this page, students will see an image of the Russian Imperial
take students to a site with Nicholas' abdication letter: Ty
- 3/2/1917 - which will unlock the first lock.

World War 1

The World War 1 page will take students to a poster from the war. Clicking on the soldiers will take them to a YouTube video about the war. They are looking for the name of the offensive that led to a disastrous outcome: KERENSKY. This will open the third lock.
