DESCRIPTION

This interactive activity is designed to engage children in practicing counting, recording data, and creating graphs, all within the context of back-to-school objects and themes. Students will have the opportunity to count various school-related items, record their counts, and then use the collected data to create a graph. Additionally, a set of bingo cards featuring back-to-school images can enhance the enjoyment and educational value of the activity.

WHAT IS INCLUDED?

PDF containing

- 3 different count and record sheets
- color and low print versions
- teaching ideas
- bingo sheets and calling cards
