DISAPPEARING QUESTIONS GAME

Students are asked to answer ANY 10 questions in the grid.

Click on the 'check answer' button to reveal the answer.

The answer tile will disappear on the question board when completed.

How to Play

- Choose a student to go first. Start with the first question.
- Click "**Answer**" box for the answer.
- Click "**Question Board**" to go back to the scoreboard.
- Click "**Stop**" to exit the game.
- Click "**Done**" when all questions have been answered.
- Question already answered will disappear automatically.

Use as a warm up activity for individuals or the whole class.

Can be used on individual devices in math groups.

Self correcting - makes an easy no prep activity for any teacher.

Animated characters make engagement more fun for your students.

HOW TO USE THIS GAME

- This digital resource uses GOOGLE SHEETS™ and can be assigned on Google Classroom or using a different platform, HOWEVER students must have sheets on their devices to play this game. Otherwise, this game can be played from the teacher's desktop computer that has GOOGLE SHEETS™ and projected, or using any other device that has GOOGLE SHEETS™ installed
- This resource is not compatible with Excel™ and will NOT work properly if opened using Excel™

SEE WHAT THE KIDS ARE SAYING

Can we play that game again?

That made math groups so much fun.
