CINCO DE MAYO

Self-graded and motivating

Your pen pal who lives in Puebla has sent you a box of candies to celebrate el Cinco de Mayo. But he wants you to learn more about the holiday before you can enjoy them, so he's locked them up in a box with 5 locks! The locks open automatically as you complete each task. Work through the slides and find the answers. Can you open the box and get your candy?

The premise

Benito Juarez became the President of Mexico. But he had a lot of powerful enemies who didn't agree with his choice to not repay Mexico's foreign debt! Some were willing to forgive the debt, but others had no problem sending troops to enforce it.

Mexican
independence**

CINCO DE MAYO

5 different tasks

El Mariachi

Mexico has a rich and varied musical tradition. Many mariachi groups perform for the festivities on holidays, and traditional dancers perform dances such as the Zarabanda. Some of the instruments in a mariachi band are familiar orchestral/band instruments, but there are some specialized Mexican instruments that give mariachi music its distinctive sound. Read about the instruments of mariachi and then do the activity on the next page.

Who was General Zaragoza?

One of the dishes that is very popular in Puebla – and especially on Cinco de Mayo – is Mole Poblano. Your grandmother made a grocery list for you but didn't leave the amounts. Her Spanish isn't so great, so you will need to help her. To get to the recipe, answer the question.

The main ingredient of guacamole is...
