

DAILY LESSON PLANS

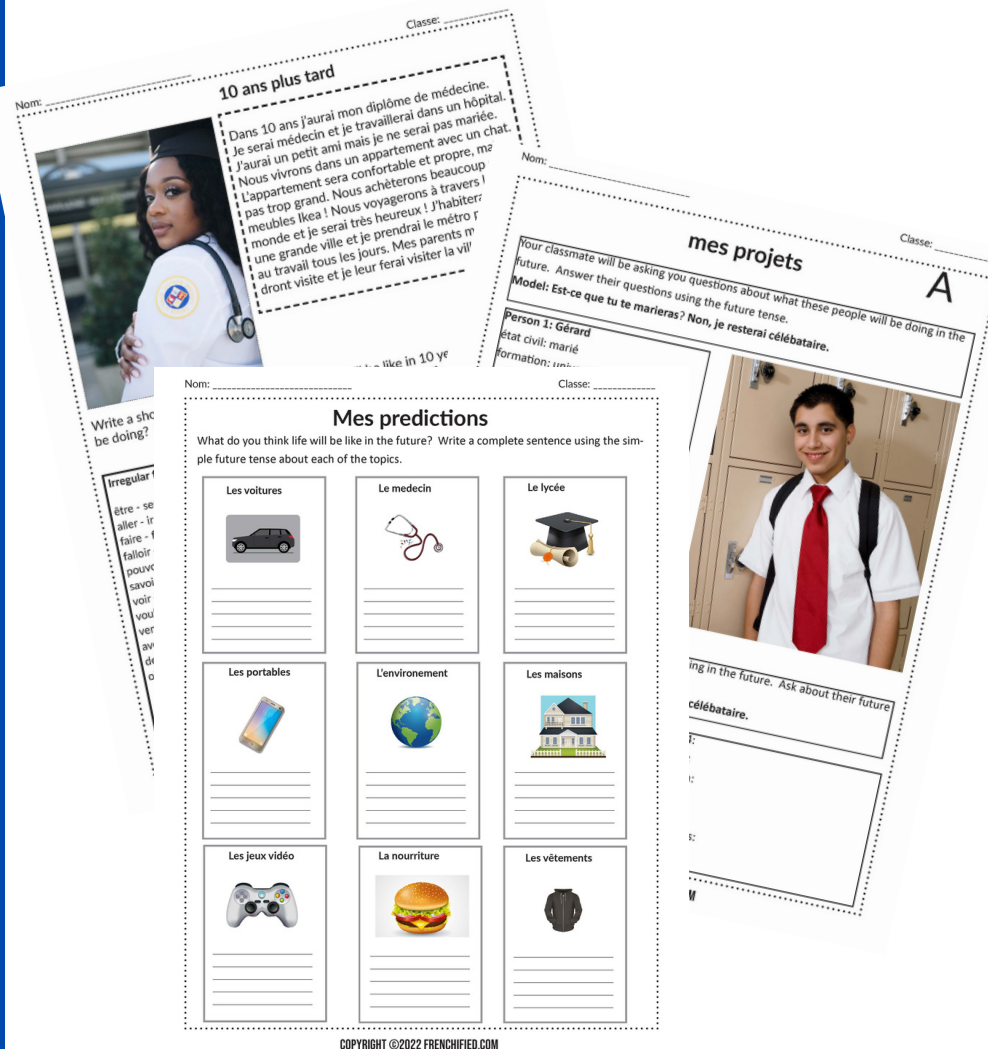

The unit includes daily plans for you with links to useful videos and audio files as well as any printables you will need. Also includes daily bell work for students and a PowerPoint with each day's instruction materials.

“This resource is great. It has so much but it’s super easy to pick and choose parts to use with your class. The variety of the included activities is very good. I’m using this in-person and virtually with students who’ve chosen that path. It appears to be working well for both so far.”

STUDENT HANDOUTS

Printable student handouts for notes and activities to do throughout the unit. Students will have the opportunity to practice what they've learned during the daily lesson.

“These CI Units are truly a lifesaver (especially when I am trying to plan for in person and online learning at the same time)! Excellent price for the material that you receive. Can’t wait for more French II Units to be published! Merci beaucoup!”
