SPELLING RULES FOR ADDING SUFFIXES

Change y to i

When a word ends in a consonant plus a y, change the y to an i and add the suffix. When a word ends in a vowel plus a y, just add the suffix. When adding the suffix ing, the y does not change.

play + ed = played
cry + ed = cried
try + ing = trying

Drop the e

When a word ends in a silent e, drop the e when adding a suffix that begins with a vowel (a, e, i, o, u). Keep the e when adding a suffix that begins with a consonant.

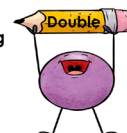

drive + ing = driving
safe + ly = safely

Double the Consonant

When a **one** syllable word ends in **one** consonant with **one** vowel before it, double the final consonant when adding a vowel suffix. Doubling the final consonant keeps the short vowel from becoming long. **The letters h, j, k, v, w, x, and y are never doubled.** (box + ing = boxing)

hop + ing = hopping

HOW TO PLAY

HOW TO ASSEMBLE

Print:
1 copy of pages 12-23 – Word Cards
2 copies of page 10 – Special Cards
4 copies of page 11 – Spelling Rules Cards
1 copy of the poster on page 5 for reference
1 copy of the word lists on pages 6-7.
1 recording sheet on page 8 or 9 for each player. (optional)

To make double sided cards, print page 24 or 25 on the back side of each sheet. Make sure to test one before printing multiple pages. Different printers will align differently, and you may need to adjust your print setting.

For best results, use a heavy cardstock. This will make the cards durable and prevent bleed through.

Cut cards apart. If desired, laminate for longer life.

An editable PowerPoint file is included in this download. The .ppt file allows you to create your own word cards. Note: This .pdf file is not editable.

SPECIAL CARDS

Draw 2 – The next player must draw two cards at the beginning of their turn.
Skip – Skips the next player.
Wild – This card can be used for any rule. No word is said.
Change Rule – The player can change the rule in play.
Extra Turn – Player gets an extra turn.

HOW TO PLAY

Shuffle the word cards and special cards together. (Do not shuffle in the spelling rules cards)

Deal 7 cards to each player.

Place the remaining cards face down.

Shuffle the spelling rule cards separately and place them in a pile face down.

Turn over the top card on the spelling rule pile.

The first player looks at their cards and must put down a card that matches the spelling rule.

For example, if the top card is "drop the e". The player needs to put down a card that would use the drop the e rule. "drive + ing"

They may also use any special card.

Players should read their card and say the new word. An optional recording sheet is provided so players can write the new word under the correct spelling rule.

If a player does not have a card to play, they must take a card from the word card pile.

The first player to get rid of all their cards is the winner.
