Letter recognition

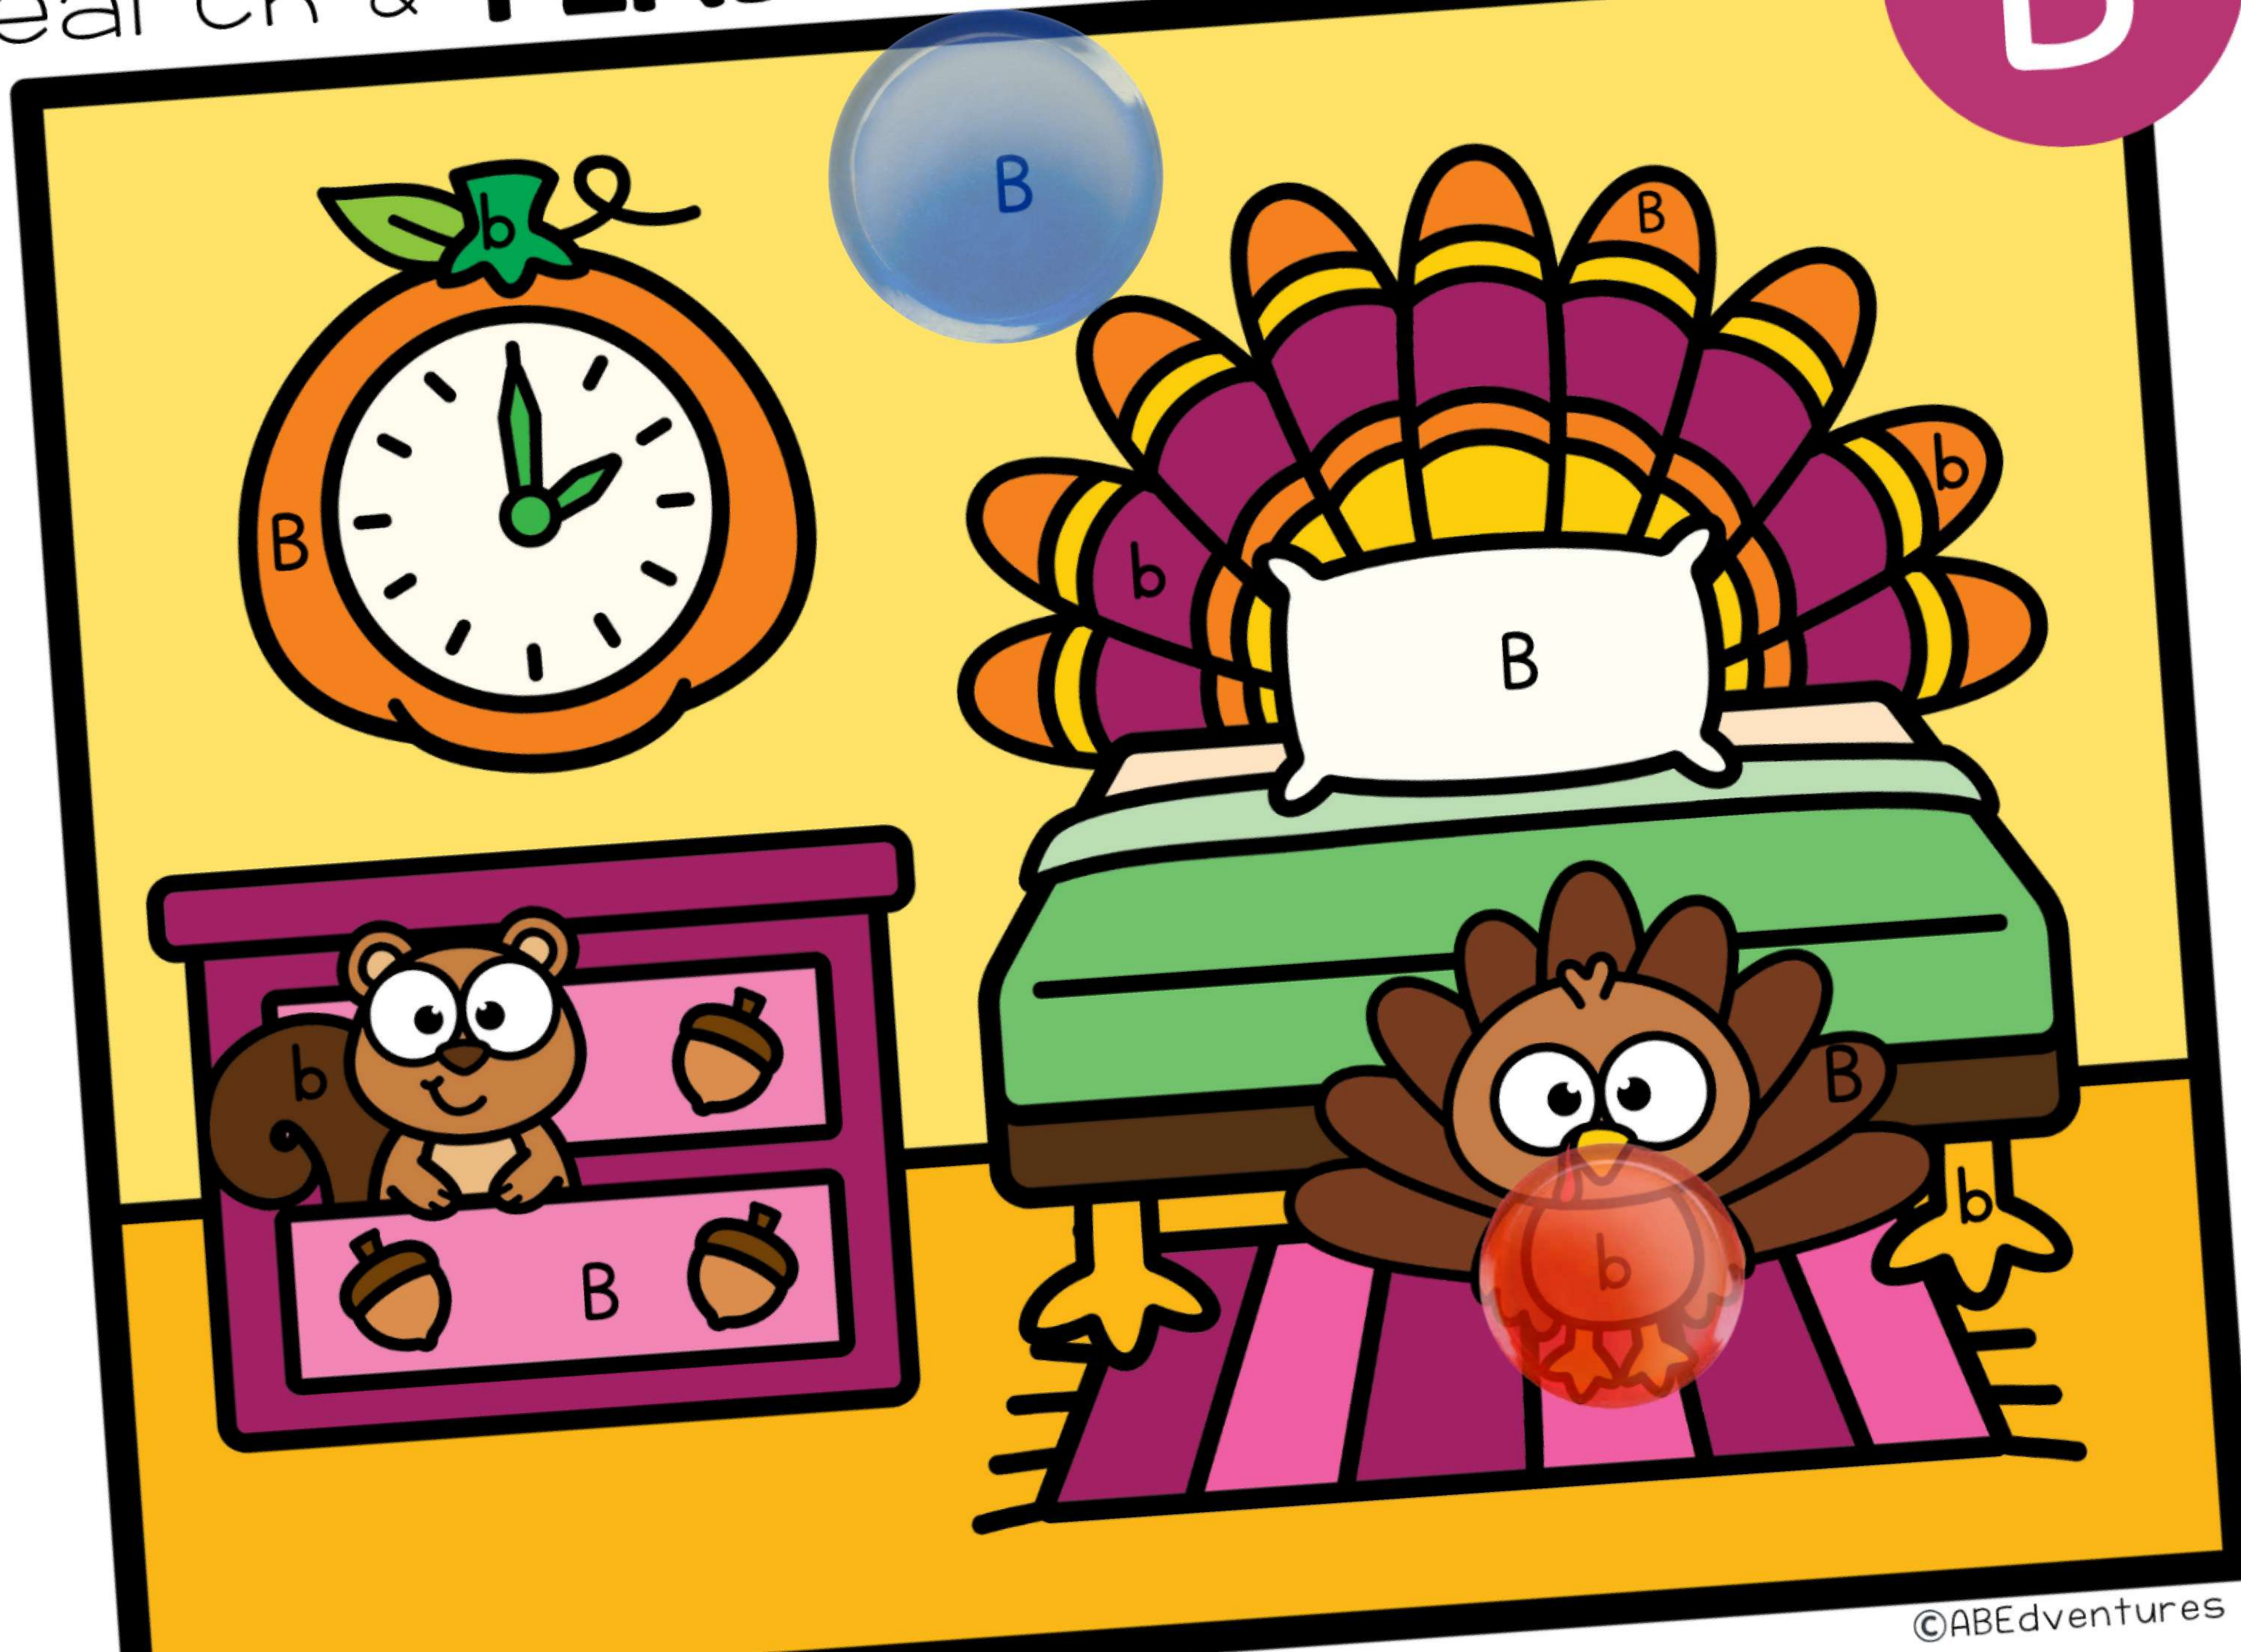

How do I use this?

- Print & Laminate the pages
- Children will pick look for the letter labeled on the corner of the page. Use two colors of pom poms or bingo chips to cover:
- Alphabet: Color 1-Uppercase, Color 2-Lowercase
- Tip: differentiate by only using a few letters per day till they master these. This will help it to be less overwhelming if they don't know all of the letters yet. If you are using my preschool curriculum consider only using the letters we have taught in Sept-Nov. (Letters A-L)
- Interested in the no prep curriculum? Shop on [IPT](#) or [ETSY](#).
