instructions

Hello!

Breakout activities are so much fun, I really hope to see you all enjoy the holiday traditions in the Spanish-speaking world.

To get to the breakout, send your students to:
<http://digitalescapegames.com/la-navi>

You do NOT need access to edit the form
need to log into a google account in order to play.

The topics discussed in this breakout include:

- las Posadas
- la Misa del Gallo
- los Reyes Magos
- Tamales
- las Velitas

- You can do breakouts in groups.
- Most breakouts take 30-45 minutes.
- Some groups may not finish.
- You can give hints to help them.
- You can give hints to help them struggle a little bit. The first group to finish wins.
- If you are doing this with a class, you can have them compete with their friends who are also doing the breakout.

Once the students have finished the Spanish holiday card, they can go to the next page.

Home page

When students open the home page, they will see an image of a Christmas tree in front of a cathedral in Mexico. Clicking on some of the ornaments will take them to the pages where they will find the clues.
