Hands On Support for Challenging Concepts

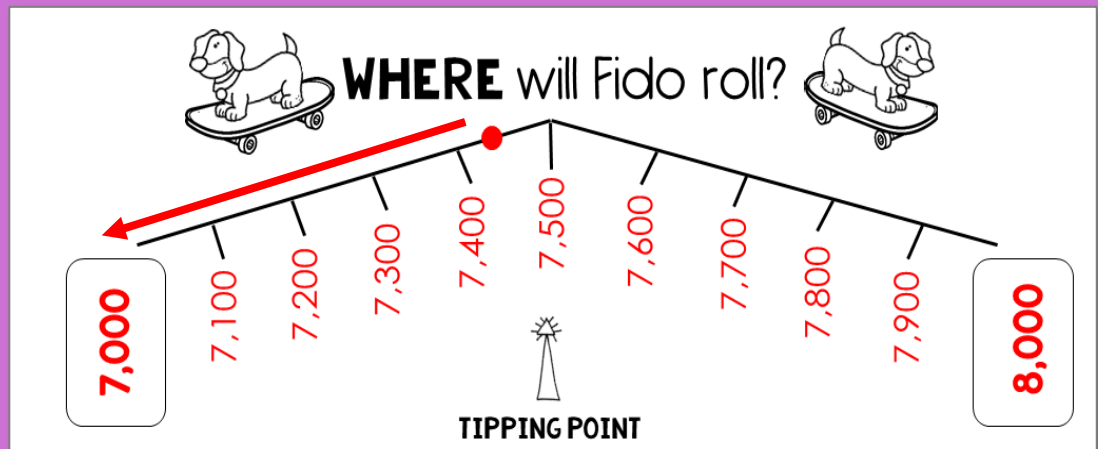

"300,000 is 3 groups of 100,000"

A Number Line to teach Rounding with Meaning

Round 7,445 to the Nearest Thousand

**These tools are designed
to support students with:**

- **Place Value Period Names**
- **Place Value Position Names**
- **Expanded Notation**
- **Rounding**

This is perfect for visualizing the place value system. It is extremely helpful with expanded notation.

-Ashley H.

This is an awesome resource! I love that the students could use the materials to build conceptual understanding.
