DIRECTIONS

Answer the questions below in any order, using the [word bank](#) to help you (not all terms will be used)...and remember to **check your spelling**! If you are **correct**, you will receive puzzle pieces. If you are incorrect, your answer will turn **red**. Once you **collect ALL TWELVE puzzle pieces**, you may start to build your puzzle. To build the puzzle, choose which piece you want to appear in the grid where it says **"BUILD IT"** by selecting the corresponding letter. You may choose to build the puzzle however you like. In contrast, if the puzzle is put together "correctly", the **"BUILD IT"** section will turn **green**. After completing all the questions, if you do not want to build the puzzle, you may click the checkbox to have the image appear automatically.
