DIFFERENTIATION MADE EASY!

1

As your students improve their grammar knowledge and skills, they can do this activity 3 different times. Simply swap out which task cards they are using.

2

Separate your students into smaller groups based on their ability levels. Each small group completes the task cards that match their skill level.

3

Mix and match the cards to increase the difficulty level as students work! Use some of the sentences from each level. Maybe use the first 10 cards from Level 1, the next 10 cards from Level 2, and the last 10 cards from Level 3.
