Name: _____

Read the poem.

My Classroom

I get my bag and take my seat.
I see my pal and tap my feet.

I grab a pad, a pen, a pencil,
A red box holds my crayons.

I zip my pack and find my stuff,
I take a peek and start to read.

We tap and read and speak our words,
With chalk and mats, we learn to read.

Write the missing words from the poem.

I get my _____ and take my seat.

I see my _____ and tap my feet.

I grab a _____, a pencil,

A _____ box holds my crayons.
