Sight Word Activity

How do I use this?

- Print & Laminate the pages
- Children will look at the sight words on the list. They will find each sight word hidden in the picture and then check it off the list and write it on the recording sheet.
- These sight word lists go along with my no prep preschool curriculum. If you are following along, only use lists 1-4.
- Interested in the no prep curriculum? Shop on [TPT](#) or [ETSY](#).

Print the
cards.

Laminate
to use
again and
again!

Students
will find
and cover
the
sight
words and
record
them on
the sheet.

Use pom poms, play
doh balls, cereal or
bingo chips.
