- ★ vocabulary - unscramble the words
- ★ listening - find the correct pie
- ★ unscramble the sentences

Digital activities

You were sent to the store to buy some groceries with your friend, a French exchange student who is studying at your school this semester. While looking for the bathroom, you mistakenly got locked in the freezer with nothing but turkeys to keep you company. There's a digital code that will unlock the lock, but if you can't find it you may be locked in the freezer for a while.

But wait...there's something else. There's a tablet sitting next to the door. The tablet has some instructions on how to open the door to the freezer. One of the store employees likes to joke around, and he's not going to make it easy for you to get out.

next

Story and instructions are in English so your students will understand the premise and task

Each task is self-grading - a wrong answer sends students back to try again.

Les tartes

It's your job to give the pies to the right people,
Can you put the correct pie on each plate?

Désolé...

Your answers are not quite correct. Go back and check your work, then resubmit.

Using Boom Cards

- You will need a Boom Learning account to play the game. Your students do NOT need an account to play.
- With a FREE account, you will share the game using “Fast Play” - just share the URL with your students. You will not receive a report, so have your students screenshot the final screen as proof of completion.
- With a PAID account, you can share the deck with your classes and receive student progress reports.
