the French Revolution

It's the middle of the French Revolution. Your cousin was studying at the University of Paris when violence broke out. Now he's been taken prisoner! In order to rescue him, you'll need to be able to get into the city. Then you'll need to be able to open the box where the keys to the cells are kept. You only have 45 minutes though - the crowds are thirsty for blood and the Guillotine is waiting!
