Ways to Win

Choose one based on students' level and time available.

4 in a Row

Once a student's card has a line of four markers in a column, row, or diagonal, the student should say "bingo." Check the card to verify that it is a winner. If desired, continue the game until more students have four markers in a line.

4 Corners

Once a student's card has four markers in each of the four corners the student should say "bingo."

Inside Square

Once a student's card has four markers the four inside boxes, the student should say "bingo."

Outside Square

Once a student's card has markers on the outside boxes, the student should say "bingo."

Bam and Free

For some extra fun, add the bam and free calling cards into the mix.

BAM

When a bam card is chosen, players must remove a chip from their bingo board. It can be any chip the player chooses, or the caller can decide on a specific sound.

For example:
"Bam, remove one chip for the sound /b/."

FREE

When a free card is chosen, players may place a chip on any square.
