INSTRUCTIONS FOR TEACHERS

- This collection can be used for classes from Kindergarten to year 8 as I have tried not to make them too babyish in order to suit the needs of a wide range of students.

Thanks to these wonderful clipart designers for their amazing inspiration

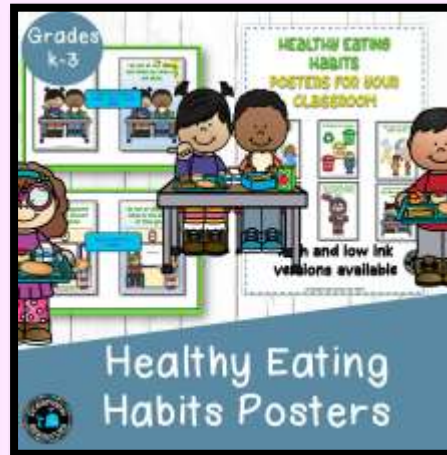

Pages that you choose can be printed back to back in order to save on paper. Be sure to print 'fit to size' for best results

I have included a '2 to a page' version which you can also print back to back as a way of saving more paper and creating a half sized memory book..

- Students may like to draw a picture of themselves in the star on the front page or you may like to include a photo of the student.
