

A vertical traffic light with three circular lights: red at the top, yellow in the middle, and green at the bottom. The lights are mounted on a black pole. The traffic light housing is black with three white arrow-shaped fins on each side. The red light is currently illuminated.

Student S

The illustration shows a student on a bicycle on the left. To the right is a tablet displaying a form. Two large pink arrows point from the top towards the form. The first arrow points to the 'Student:' field. The second arrow points to the 'Task/Activity' header of a table.
