- Why Amendments?
- How do amendments get passed?
- The Bill of Rights
- Beyond the Bill of Rights

THE U.S. CONSTITUTION?

was held in 1787 in Philadelphia, Pennsylvania to replace the Articles of Confederation; however, they came up with a new constitution that we still use today.

reaching an agreement where each group gives up something in order to reach an accepted solution to a problem.

compromises in creating the U.S Constitution including the Three-Fifths Compromise, and the Electoral
