

STEAM ACTIVITY

DESIGN A MASK CHALLENGE

CHALLENGE

Design a breathing mask for your toy

Your toy needs to have a breathing mask to keep them safe from dust and germs. Let's make it a fun one!!! Your teacher has given you some materials and a printout to use to help to plan your design.

Things to consider

- It should be fun
- Your toy should be able to see
- It should cover your toys mouth
- It should fit comfortably
- It should be as tight as is possible

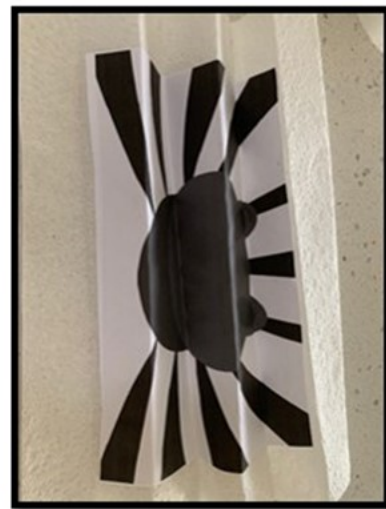

IMPORTANT NOTE TO USERS

This resource is NOT designed to be used to create masks for your students to use. It is essential that they use certified medical masks for protection against COVID 19, this is a fun activity for students to make a mask for a toy... not for a person

Suggested Materials - (not supplied)

- Sticky tape
- Glue
- Glue stick
- Glue gun (supervised)
- Stapler
- Elastic
- Elastic bands
- String
- Ribbon
- Paper towel or cleaning cloth
- Pipe cleaners
- Toy of your choice
- Hair ties
- Tissue paper
- Printer
- Yarn
- Camera or iPad to record results

A sample idea of how to make a mask

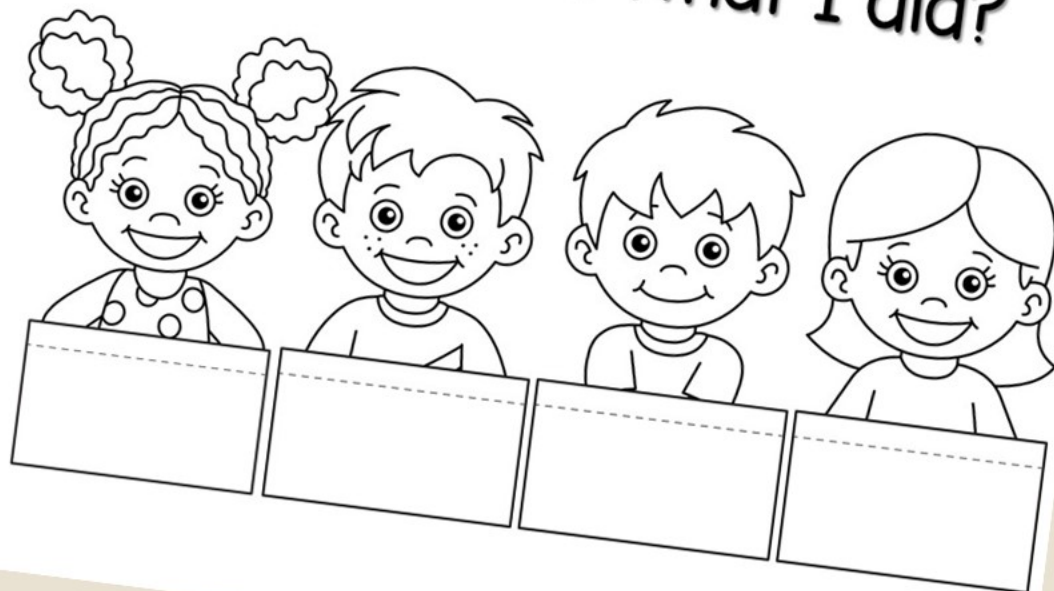

Picture Board-What I did?

Use the images and the charts on the following pages to write an explanation of how you created your mask. The students may draw images or write sentences / dot points to create these displays.

Materials I am going to use....

A drawing of my idea...

Steps

Step 1	
Step 2	
Step 3	
Step 4	

Reflection

How well did my mask turn out?	
What worked well?	
What didn't work well?	
What changes would I make next time?

CREDITS

Without the brilliance of these clip artists and font designers, our resources would not be as engaging and fun to create, nor for our students to use. Please take time to visit these wonderful designers.
