THE FRENCH AND INDIAN WAR

Self-graded and motivating

In the time leading up to the war, George Washington was given an important task by the governor: deliver a message to the French commander and see whether or not they were complying with treaties. He was no dimwit, and accomplished this task admirably.

Washington's journey to the Ohio Valley

The British insisted on fighting the old way, using tactics that had worked for centuries. But it turns out that there was a new way of fighting - and an inability to adapt was their downfall in this little war.

Braddock's defeat

The seige of Quebec ended in a huge battle on the Plains of Abraham. Despite the attempts to remain calm, the French troops were disorganized and their commander did not see the outcome of the battle.
