6-letter lock (ALL CAPITALS) *

Your answer

Date lock (MM/DD/YYYY) *

Each clue page gives students a hint of what they are looking for and a link to a resource to find the answer.

When Sandra Day O'Connor graduated from law school, her degree was issued in her husband's name! Many law firms turned her down when she applied, simply due to her gender. It took a lot of hard work and perseverance but she was eventually vindicated.

Teacher guide and instructions

Detailed guide on how to play and what key unlocks each lock. Give your students support as necessary based on time and ability. You have the answer key - give students as much or as little help as they need to complete the task.

instructions

Hello!

Escape activities are so much fun, I really hope that you and your students will enjoy this one about Modern American Women.

Send your students to:
[mview/modernuswomen](https://www.mview/modernuswomen)

Access to edit the form or the images to play the game.

In this Escape include:

Home page

When students open the home page, they will see a map of the United States with images of the women. To get to the other clues, they will need to click on the images of the women. When they scroll over a link, the hand icon will show up and it will be clickable. Note: if you aren't seeing the hands, check your browser! Google Chrome doesn't always display the hands, depending upon which version you are using. Firefox and Safari work better for this activity. If you have no option other than Chrome, just tell students to click on the women.
