Ocean Animals

Food Chains

Suitable for Reception, Kindergarten, Year 1 and homeschool learning

Ocean Food Chain

A food chain shows how living things get their energy.
The arrows point from the food to the consumer.

Ocean Safety and Care

Look carefully and be gentle

STAY SAFE

Safety points

- Go with an adult.
- Stay back from deep water and strong waves.
- Walk carefully on wet rocks.
- Never drink sea water.

LOOK, DO NOT DISTURB

Care points

- Watch ocean animals quietly.

Lungs?

Animals breathe in different ways.

LUNGS

Lungs take oxygen from air.
Animals with lungs must come to the surface to breathe.

Do you have gills or L for lungs?

G L
