

WINTER PATTERN ACTIVITY

Pre-K & Kinder Activity

The background features several decorative elements: three blue snowflakes of varying sizes on the left, and a piece of patterned paper with blue and green rectangular shapes on the right. The main title is centered on a white card.

WINTER Pattern Recognition

How do I use this?

- Print, cut, & laminate the task cards and answer cards.
- Add velcro dots for added fine motor practice.
- Children will place the answer cards to complete the patterns.
- Tip: differentiate by only leaving specific pattern types out. If you are using my preschool curriculum consider only using the patterns we have practiced in Sept-JAN. (AB, ABB, AAB, ABC)
