

LITERARY POSTERS BUNDLE

20 coordinating posters for secondary ELA

Literary Movements & Genres + Literary Analysis Concepts

MOVEMENTS & GENRES

ANALYSIS CONCEPTS

One collection gives students the literary landscape. The other gives them the analytical tools to explain how a text creates meaning.

THE COMPLETE 20-POSTER COLLECTION

Designed as companion sets, sold together at a bundle discount.

SET 1 • LITERARY MOVEMENTS & GENRES

What kind of literary world am I reading?

Ten posters introduce major movements, modes, and traditions students encounter in secondary English.

Gothic Literature

Magical Realism

Absurdism

Surrealism

Realism

Romanticism

Dark Romanticism

Modernism

Postmodernism

Dystopian Literature

SET 2 • LITERARY ANALYSIS CONCEPTS

What is the writer doing, and how does it create meaning?

Ten posters support the analytical moves students use during close reading, discussion, and writing.

Symbolism

Motif

Theme

Imagery

Diction

Syntax

Tone

Point of View

Irony

Allusion

FROM RECOGNITION TO ANALYSIS

The two sets create a natural instructional progression.

1

Recognize the literary context

Gothic? Modernist? Dystopian? Magical Realist?

2

Notice the writer's choices

Diction, syntax, imagery, symbolism, point of view, irony...

3

Explain the effect

How does that choice shape tone, character, theme, or meaning?

A cohesive wall display that also works as an ongoing analytical reference.

WHAT YOU GET WITH THE BUNDLE

Two complete TPT resources, accessed together from one bundle listing.

LITERARY MOVEMENTS & GENRES

10 posters • Gothic through Postmodernism and Dystopian Literature

LITERARY ANALYSIS CONCEPTS

10 posters • Symbolism through Point of View, Irony, and Allusion

TPT BUNDLE BENEFIT: When either included resource is updated, the bundle automatically reflects the updated resource for buyers.
