POISSON D'AVRIL!

Self-graded and motivating

Nous sommes le premier avril...

It's April 1st and someone has stolen the pride and joy of the town of Poisson-sur-Loire: the famous golden fish statue. The thief has challenged the people of the town to complete a series of tasks in order to find out where the statue has been taken. If the tasks aren't completed, he has threatened to sell the statue to the neighboring village - a rival village who would love to melt the statue down and use it to mock Poisson-sur-Loire!

Can you help complete the tasks and save the statue?

Comment les Français célèbrent cette fête

En France, le Premier Avril est un jour de blagues et de rires. Les enfants adorent cette journée spéciale. La tradition la plus connue est le « poisson d'avril ». Les enfants essaient de coller un petit poisson en papier dans le dos de leurs amis ou de leurs parents sans se faire remarquer. Quand la personne découvre le poisson, tout le monde crie « Poisson d'avril ! » et rit beaucoup. Les adultes aussi font des blagues à leurs collègues et à leur famille.

Tarte Tatin

Ingrédients / pour 8 personnes

Pour la pâte brisée

Farine : 300 g

Beurre pommade : 125 g

Sel : 1 pincée

Eau : 10 cl

Pour la garniture

Pomme : 5

Beurre : 100 g

Sucre : 150 g

Cannelle : quelque pincée

Préparation de la pâte brisée

Mettre la farine dans un saladier avec la pincée de sel et le sucre. Ajouter le beurre pommade dans le saladier et mélanger le tout pour avoir une texture sableuse. Ajouter l'eau pour le liant et former une boule à mettre de côté.

Préparation des pommes

Laver les pommes, les éplucher et couper en quatre puis recouper chaque quart de pommes en deux. Retirer le trognon.

Préparation du caramel

Faire chauffer dans une casserole le beurre et ajouter progressivement le sucre. Mélanger jusqu'à l'obtention d'un caramel de couleur marron.

Dès que le caramel est prêt, verser dans un plat à tarte et disposer les pommes dans le moule en formant une rosace en les serrant entre elles. Mettre ensuite le plat à tarte sur le feu et laisser cuire les pommes 10 minutes pour que le caramel s'imprègne bien. Rajouter la cannelle si vous aimez.

Montage et cuisson

Une fois le temps de cuisson fini, déposez la pâte brisée préalablement étalée sur les pommes, rentrez les bords à l'intérieur s'ils débordent. Mettre au four 20 minutes à 180 °C. Une fois sortie du four, prendre une assiette et retourner la tarte.
