

WIKKI STIX LETTER BUILDING

SET UP AND ORGANIZATION

PRINT USING THE "SCALE TO FIT/FIT" OPTION. I LIKE TO PRINT CARDS ON CARDSTOCK AND LAMINATE FOR DURABILITY. TEACHER TIP: CUT OUT CARDS PRIOR TO LAMINATING AND CUT LAMINATED CARDS TO CREATE A NICE SEAL AROUND EACH CARD.

IF USING THE FULL SIZE PAGES, I LOVE TO STORE THEM IN A DURABLE CONTAINER THAT HOLDS ALL THE MATERIALS NEEDED AND STUDENTS CAN GRAB AND GO. THE IRIS SLIM PORTABLE PROJECT CASES ARE PERFECT! YOU CAN FIND THEM AT AMAZON AND/OR MICHAELS.

IF USING THE SMALL TASK CARDS, THE SIMPLY TIDY PHOTO AND CRAFT KEEPER IS A GREAT OPTION, ESPECIALLY WHEN YOU HAVE ALL TASK CARD SETS. I LOVE THE RAINBOW CONTAINERS BECAUSE IT ADDS SOME COLOR TO THE MIX. THESE CAN ALSO BE FOUND AT AMAZON AND/OR MICHAELS.

FOR WIKKI STIX LETTER BUILDING, YOU WILL NEED WIKKI STIX. YOU CAN FIND THEM AT MICHAEL'S, HOBBY LOBBY, AND/OR AMAZON. YOUR STUDENTS CAN BUILD THEIR FINE MOTOR SKILLS BY BENDING, TWISTING, AND SHAPING WIKKI STIX TO FORM THE UPPERCASE AND LOWERCASE LETTERS. PIPE CLEANERS ARE ALSO A GREAT OPTION FOR THIS ACTIVITY. CHOOSE YOUR PREFERENCE AND LET THE FUN BEGIN.
